Not at all! That's completely reasonable. Thank you.

I'm sorry but unfortunately we do need to meet in person. We are going over year end pre-audited financials so I would like to have the opportunity to get any comments as we are currently working on the audit. I promise to have you out by 11:00. Will that work?

Thanks Barbara.

To be clear, the meeting will be from 10:30-11:00am tomorrow. If so, that's fine with me.

Robert & Barbara,

We will have a small group tomorrow - just Sauli in addition to yourselves. Please note that in order for Sauli to make it (and be able to have a quorum), we will push the meeting back to 10:30. We will still be able to complete the meeting by 11:00.

I'm trusting that since we are simply shortening the meeting and not rescheduling that this does not present a conflict for either of you but please let me know if it does.

Please note as well that another meeting will be wrapping up in the conference room so we will be meeting in my office.

Thank you.

Suzanne
